Property to the City of Suisun City for Construction,
Public Access and Maintenance of a Bicycle and
Pedestrian Path. (U 39 M)

Application 02-06-026
(Filed June 14, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING ADDRESSING
MOTION BY PACIFIC GAS AND ELECTRIC COMPANY
FOR EXPEDITED PROCEDURAL SCHEDULE**

Concurrent with the filing of its application, Pacific Gas and Electric Company (PG&E) filed a motion to shorten time to respond to its application and seeking an expedited procedural schedule. By this ruling, I grant the request to shorten the protest period for this application. Protests to the application are due July 1, 2002.

Background

On June 14, 2002, PG&E filed this application requesting expedited approval of an easement with Suisun City under Public Utilities Code § 851.¹ PG&E filed a motion concurrent with its application, requesting an expedited procedural schedule. The application appeared on the Daily Calendar on June 24, 2002. Per Rule 44.1 of the Commission's Rules of Practice and Procedure, the deadline for filing a protest is July 24, 2002.

¹ All statutory references are to the Public Utilities Code unless noted otherwise.

The Commission has not yet issued a preliminary finding regarding the category of the proceeding. Until such time as a categorization resolution is issued, we will process the case as if the category for this proceeding is ratesetting and that hearings are not necessary. Until the Assigned Commissioner issues a scoping memo, the *ex parte* rules as set forth in Rule 7(c) of the Commission's Rules of Practice and Procedure apply to this proceeding.

Motion to Shorten Time

PG&E requested that we shorten the time to protest its application. PG&E has made a strong argument that time is of the essence. We will require that protests be filed no later than July 1, 2002, in order to facilitate the schedule necessary to allow Suisun City to access federal grant money for construction of its bike and pedestrian path. Protests to this application should be filed with the Commission's Docket Office consistent with the Rules of Practice and Procedure. Service of any protests should be made electronically and by hard copy on counsel for PG&E and on the assigned Administrative Law Judge (mlc@cpuc.ca.gov).

IT IS RULED that:

1. PG&E's motion to shorten time is granted.
2. Protests shall be filed no later than July 1, 2002.

Dated June 26, 2002, at San Francisco, California.
